- Annual membership dues are \$60 for an individual, \$90 for a household (two people living at the same address). The benefactor level is for those who would like to provide additional membership funds to the League. The League, in turn, may offer a limited number of 'pay what you can' memberships to potential members who may lack the financial resources for membership dues.
- Student memberships are free. A student is defined as an individual currently enrolled at an accredited institution.
- LWV-Wake is an all-volunteer nonprofit organization. We welcome contributions to our general operating fund.
- Membership dues are shared with LWVNC and LWVUS. Members of LWV-Wake are automatically members of LWVNC and LWVUS.
